European & Asian Truck Application

about us

Headquartered in Mumbai, India, Mansons is a leading global components manufacturer and supplier for OEM, Tier 1 and independent aftermarket trucks, trailers, buses and vans. For over 60 years we have provided products of superior quality, exceptional value, performance and reliability to manufacturers, distributors, warehouse stockists, fleets and repair shops around the world.

Our authorised distributors and channel partners profit from the extensive product range of over 7000 commercial vehicle components available from stock.

Our 145 authorised distributors and channel partners across the world rely on our experience and expertise in product management, development, sales & marketing, training and distribution skills to meet the component needs of the commercial vehicle industry.

Mansons product can be found in over 61 countries worldwide with an ever expanding network of authorised distributors and partners worldwide.
